

Sulgrave News

WANTED

June 2010

All Change!

Following the Hoo-ha of the General Election we have a change in government, a change for the better in the weather, and I am sorry to say a change in the editor of the Sulgrave Newsletter!

It is my intention to continue as editor until the August edition, when I will have been in post for six years. I have been finding it more difficult over the last few months to bring the enthusiasm to the role that I feel it deserves, and think it would be better if there was a new approach to this important village focal point. Preferably from someone who lives in the village and can gain information first hand.

I also feel that the Sulgrave Village website is now very professionally delivering a large amount of what, in the past, was the role of the Newsletter.

The main criteria for the job is enthusiasm, an ability to use MS Word, and to send and receive emails. I will happily assist in any change over process, where I can.

As usual a reminder about the email address for the Sulgrave Newsletter. It is:-

newsletter@84f.com

Deadline for the July newsletter is 25th. June.

PLEASE NOTE THAT ARTICLES FOR THE NEWSLETTER CAN BE LEFT AT THE VILLAGE SHOP.
Could I remind contributors to provide a name and contact number with articles- Thanks

Tom Cockeram, editor: Telephone 01295 711326, or email newsletter@84f.com

THE STAR BEER FESTIVAL

June 26th - 27th

June will see the Star Inn have its first Beer Festival providing a wide selection of beers to taste, with entertainment for all the family over the weekend including live bands both afternoons and Saturday evening, BBQ, Morris Dancers, Aunt Sally and Skittles.

You can even have a flutter on the Ferret Racing or take a look at some Classic Vehicles on display.

There will be something for all the family whatever the age !

& VILLAGE FETE

I understand there is a lack of response to organise the Bi-annual Village Fete this year so rather than cancel it we would be willing to combine it with the Beer Festival on the Saturday (26th) from about 2pm-5pm in the field at the rear of the Pub and are happy, with some help, to set out stalls, etc., for people.

Anyone, or any groups wishing to run a stall of any kind please contact us at the Pub so we can get things under way.

Many thanks, Barry & Gillie

June is the height of the English Asparagus season. The Sulgrave Village Shop asparagus is locally grown and comes straight from the farm to ensure freshness and quality.

It's delicious with Hollandaise Sauce or new season Jersey Royal Potatoes both available from the shop.

Try it straight from the BBQ or in one of the recipes that are available in the shop.

June is start of the Summer Fruit season

Look out for first arrivals of English Strawberries great with Jersey Cream.

The shop also stocks several types of ice cream including locally made Blackdown Farm and Haggen Dazs.

Remember delicious locally baked bread is available daily and freshly baked croissants available at the weekend.

THE EVIDENCE IS CLEAR...

...Northamptonshire Police is getting results.

Our police officers respond to a great variety of incidents across the whole of Northamptonshire and you can be confident that we are successfully tackling crime and anti-social behaviour locally in your community.

Over the last year, our officers and staff have worked hard to help you when you are faced with crime or anti-social behaviour:

- We've made 284 arrests with the help of our police dogs
- We've arrested 943 suspects for house burglary
- We've dealt with 562 incidents in the Force helicopter

We have successfully removed some of the temptations which drive people commit crime and anti-social behaviour:

- We've seized drugs with a street value of over £4m

We have made people pay for their actions:

- We've seized £1.4 million of criminal assets

We are always there for you when you need us most:

- We've answered 95% of 999 calls within four rings

The evidence is clear! These are just some of the results that have helped reduce crime by nearly eight per cent over the last year, making Northamptonshire a safer place to live and work.

Please visit us at www.northants.police.uk or call us on 03000 111 222 to speak with a local officer. Always call 999 in an emergency.

Northamptonshire Police: Putting Communities First

Sulgrave with Culworth Women's Institute

We had our May meeting on Wednesday 12th May in the Church Hall, at which we discussed the Resolution that will be put forward at the AGM next month in Cardiff.

This was followed by refreshments organised by the Committee as a thank you to members of all their help at our Link Meeting last month. This meeting was attended by 70+ members from our Link and the speaker gave a talk on the Lord Leicester Hospital in Warwick.

Our next meeting is on June 9th at the Red Lion in Culworth.

VOLUNTEERS NEEDED IN YOUR VILLAGE SHOP

We have a core group of volunteers who help in our shop once or twice a week and others who are only able to give irregular help. Thank you so much for everything you do.

However, we need to add to this. Could you commit to doing two hours per week or month? It is a good way to meet people and is fun! Please speak to David in the shop or ring Jane on 760865. We would be happy to talk things through and full training is given.

Thank you in advance.
