

The Star Inn

WALK NO. 1

(Approximately 2.5 miles)

Start at the Star Inn, walk to your left straight down Manor Road until you reach the edge of the village. Here Little Street bears round to the right but carry straight on up the Moreton Road, a single track lane. Continue for about half a mile up a gently sloping hill until the road bears round to the left for another half a mile. Here you come to a T-junction with Banbury Lane and a beautiful view if you turn and look behind you. At the T-junction the road goes right to Weston but go left along Banbury Lane for about 250 yards, passing a house on your left. You will then see a fingerpost pointing left and a stile and a gap. Through here the footpath bears round to the right immediately,

with a hedge on your right. You will see a telegraph pole with a waymarker pointing across the open field to the right side of a wood ahead. Keeping the wood on your left carry straight on coming out into a large field with a mixed hedge on your right and lovely views to your left. At the end of this field keep straight on, passing a new wood of mature trees and you cross a stile next to a 5 bar gate. You can now begin to see Sulgrave and the top of the church in the distance. Pass some horse jumps in the hedge on your right and ignore the stile. The jumps are part of the Team Chase held here every October. Carry straight on into another field and after about 150 yards you

will come to a metal gate and a stile next to it with a waymarker on your right. Cross the stile here and cut diagonally across the field towards a telegraph pole on the left and then towards a 5 bar gate at the bottom with a stile. Cross the stile and bear right through a small paddock towards a small gate at the end of a brick and stone wall. Here the footpath goes left and ends at a kissing gate. This takes you onto Stockwell Lane. Turn left and at the top you will end your walk at the village shop, opposite the bus stop in the Magpie Road.
